

Safety Stand Down 2013 - Building a Safety Community

Come meet your fellow aviators at the 4th Annual National FAASTeam Safety Stand Down. This year, thousands of pilots across the country will come together as a "Safety Community" to participate in a dynamic, interactive program devoted to local safety issues, loss of control, and the number one aviation fatal factor ... Human Error. Don't miss this opportunity to hear from local flying experts, participate in dynamic discussions, and gain practical insights on how you can learn more from accident reports and reduce errors in your own flying. Come be a part of our safety community. Tell your friends ... "I'll see you at the Stand Down..."

Directions: Grand Canyon Room, No. Las Vegas Airport Terminal Building
